ILLEGAL INVASION OF OUR
SOUTHERN BORDER

fastingtosaveamerica.com

Illegal invasion of our southern border - you will stop now and be judged. Bound up and stopped, turned back and disabled are the spirits behind the illegal invasion of our nation. You who hatched this plan to flood our nation with illegal people to steal the vote and distort the election, the Lord Jesus rebuke you. Release those leaders of our nation you've taken captive. Release Joe Biden and his cabinet. You are dismissed now and this plan is canceled in Jesus name. The upright in wisdom and understanding rise up in bold expression. They are strengthened to fight against the evil. Blessing comes upon the upright. Blessing comes upon those who expose evil.

You unclean ones working to silence the outcry of our representatives over this invasion, you who keep them compromised, you are cast out and off of them. You are exposed and judged. Leave the leadership of our nation alone. Go. All of you are cast to the dry places. All blackmail of our congress and house leadership is exposed and judged. Pedophilia is exposed and judged. Pay offs are exposed and judged. Threats to silence truth is exposed and judged. The schemes of Satan are exposed. Intimidation to silence the truth is exposed and judged. Witchcraft to silence the truth exposed and judged. Jesus reigns in the house and senate. The Word of God is esteemed and honored. The Word of God is restored as a guide to our leaders. Upright ones, non compromising ones are emboldened and supported. They prosper in their leadership and flourish in wisdom. They are vindicated who love the truth.

Unclean judges are rebuked, judged and turned back. They are removed from office. The upright are elevated and take their place. Chastening comes upon those cooperating with darkness until they repent. Their impure motives are exposed. The demonic power moving them is cut off. The Lord rebuke you Satan. Every unclean power moving, directing our federal and Supreme Court judges, you are dismissed. Go, leave them alone. Release the justice and the justice system of these United States. The upright of heart are moved into the justice system of our nation. They are favored and find promotion. Father defends the Lordship of the Son in the courts our nation.
