VICTORY OVER MEDIA

fastingtosaveamerica.com

Father we declare you expose the works of darkness bound up in the media expression of bringing the news to our nation, wherein it is perverted, distorted, misrepresented and used by darkness to propagate more darkness. The news belongs to heaven. The news belongs to the Son of Righteousness, and we declare the Son exalted in the news of our nation. We come into agreement with you Father that you are triumphing over the enemies of Jesus and putting those enemies under His feet. Do it in our day and in our nation. Triumph over evil. Overthrow the vestiges of darkness and put Satan to shame. I bring Facebook/Instagram before you Father. I rebuke the powers of darkness working through Facebook/Instagram, through the CEO and through it's leadership to harm the integrity of the elections in the USA. Demonic powers, I rebuke you in the Lord and command you release Facebook/Instagram. You will not use Facebook/Instagram, the media expression, the wealth, the staff or any aspect to pervert, distort or harm the purity of the vote of the people of the United States. I dismiss the blocking of truth, and the mechanism keeping truth from the people. Those who control the algorithms and presentation of "facts" the Lord sets you free from captivity to darkness. You will no longer follow the demonic realm. You are freed from your captivity to darkness. I declare the stockholders and power brokers of Facebook/Instagram rise up to insure the presentation of truth. Those proud, arrogant and puffed up in their wealth and control of Facebook/Instagram, they now have Nebuchadnezzar testing. They who will not repent are put out to pasture for 7 seasons until they repent and acknowledge the Lord He is God.

I bring Twitter (X) before you Father. I rebuke the powers of darkness working through X, through the CEO and through it's leadership to harm the integrity of the elections in the USA. Demonic powers, I rebuke you in the Lord and command you release X. You will not use X, the media expression, the wealth, the staff or any aspect to pervert, distort or harm the purity of the vote of the people of the United States. I dismiss the blocking of truth, and the mechanism keeping truth from the people. Those who control the algorithms and presentation of "facts" the Lord sets you free from captivity to darkness. You will no longer follow the demonic realm. You are freed from your captivity to darkness. I declare the owners of X rise up to insure the presentation of truth. Those proud, arrogant and puffed up in their wealth and control of X, they now have Nebuchadnezzar testing. They who will not repent are put out to pasture for 7 seasons until they repent and acknowledge the Lord He is God.
